Liam Armstrong

Toronto, ON · liam@liam-armstrong.com · (647)-523-0040 · liam-armstrong.com

Education

University of British Columbia   Vancouver, BC
B.A. Computer Science   Sept 2017 - Present

Experience

The Ubyssey   Vancouver, BC
Web Developer   Sept 2018 | Present

- Maintaining and updating the Ubyssey's open source front end website and custom back end CMS
- Pitched in to assist senior developers when deadlines were pressing and staffing was minimal
- Utilized programming capabilities with Django, React and Docker to help junior members make meaningful contributions early into their roles

Kids Help Phone   Toronto, ON
Student Associate   May 2018 | Aug 2018

- Received promotion from Data Entry Clerk to Student Associate on International Consultation 2018 planning team
- Streamlined our invoicing process for conference attendees by creating tools to generate and send documents, making the procedure 85% more efficient
- Conducted research and drafted memos and summaries on potential sponsors for Corporate Development, generating over 150 leads

nwHacks   Vancouver, BC
Coordinator   Oct 2017 | Present

- Managed event logistics and operations, including support staff, vendor services and volunteers.
- Attended MLH's HackCon VI with other senior organizers, learning about fostering a safe and inclusive tech community
- Solicited feedback from previous attendees to assess event success and uncover opportunities for improvement.

Intrst Financial   Toronto, ON
Co-Founder and Chief Technology Officer   Oct 2016 | Jul 2017

- Designed, configured and implemented a complete web platform using HTML, CSS and AngularJS
- Developed work-flow charts and diagrams to ensure production team compliance with deadlines, completing MVP within 2 months of project start
- Managed team of four direct reports responsible for on-going product optimization, maintenance and expansion

Snowhawks Ski School   Toronto, ON
Ski Instructor   Dec 2015 | Jan 2017

- Spearheaded the development of a new lesson set focused on skier confidence with two other instructors.
- Earned Canadian Ski Instructors Association Level One instructor certification
